FOR IMMEDIATE RELEASE
PRESS RELEASE

OmniBSIC Fitness Walk

Our Merger is complete! In celebration of this important milestone, OmniBSIC Bank is staging its first nationwide Health and Fitness Walk, themed “At your service” on Saturday, 30th November 2019.

The event is aimed at thanking our customers for their loyalty during the merger process while increasing awareness of the new OmniBSIC brand among the public. Furthermore, the event seeks to promote a healthy lifestyle among all staff.

The event will occasion the presence of some invited customers who will join the Bank’s employees to celebrate the completion of arguably the most successful merger in Ghana’s Banking Sector and solicit their feedback and support to enable OmniBSIC Bank to become the best bank in customer service delivery in Ghana.

The Fitness walk will begin simultaneously at three key locations across the country: Accra (El Wak Sports Stadium); Kumasi (Asokwa Shopping Mall); and at Takoradi (Liberation Road branch, OmniBSIC). At the end of the walk, staff will undertake a range of fun team building activities to round off the day.
